

## Announcement

### The 91<sup>st</sup> Congress of the Japan Gastroenterological Endoscopy Society

**Date:** May 12–14, 2016  
**Venue:** Grand Prince Hotel Takanawa, Tokyo, Japan  
**President:** Tetsuya Mine, MD, PhD  
 Professor and Chief, Division of Gastroenterology and Hepatology,  
 Department of Internal Medicine, Tokai University School of Medicine  
**Secretariat:** Takayoshi Suzuki, MD, PhD  
 Associate Professor, Division of Gastroenterology and Hepatology,  
 Department of Internal Medicine, Tokai University School of Medicine  
 Email: [jges91@congre.co.jp](mailto:jges91@congre.co.jp)  
 URL: <http://www.congre.co.jp/jges91/>

#### Scientific program:

##### Address of JGES President

Hisao Tajiri (President, Japan Gastroenterological Endoscopy Society)  
 Moderator: Rikiya Fujita (Showa University)

##### Lecture by Congress President

Tetsuya Mine (Division of Gastroenterology and Hepatology, Department of Internal Medicine, Tokai University School of Medicine)  
 Moderator: Tatsuro Yamakawa (Teikyo University School of medicine University Hospital, Mizonokuchi)

#### Special Lecture

##### Special Lecture1

(TBC)  
 Moderator: Masaki Kitajima (International University of Health and Welfare)

##### Special Lecture2

(TBC)

##### Special Lecture3

Kiyoshi Kurokawa (National Graduate Institute for Policy Studies)  
 Moderator: Michio Kaminishi (Showa General Hospital)

##### Special Lecture4

Takeshi Yoro (University of Tokyo)  
 Moderator: Souichiro Miura (National Defense Medical College)

##### Special Lecture5

Choichi Sugawa (Department of Surgery, Wayne State University)  
 Moderator: Masao Tanaka (Shimonoseki City Hospital)

#### Educational Lecture

##### Educational Lecture1

K. Haruma (Kawasaki Hospital)  
 Moderator: T. Arakawa (Osaka City University)

**Educational Lecture2**

M. Sugiyama (Department of Surgery, Kyorin University)  
Moderator: H. Suzuki (Kanagawa Prefectural Shiomidai Hospital)

**Educational Lecture3**

Y. Kinoshita (Shimane University)  
Moderator: K. Sugano (Jichi Medical University)

**Educational Lecture4**

N. Uemura (Kohnodai Hospital, National Center for Global Health and Medicine)  
Moderator: C. Sakamoto (Gyotokukai Medical Corporation)

**Educational Lecture5**

S. Kudo (Showa University Northern Yokohama Hospital)  
Moderator: S. Yoshida (Aomori Prefectural Central Hospital)

**Educational Lecture6**

Y. Seto (Department of Gastrointestinal Surgery, The University of Tokyo)  
Moderator: S. Kitano (Oita University)

**Educational Lecture7**

M. Watanabe (Department of Gastroenterology and Hepatology, Tokyo Medical and Dental University)  
Moderator: N. Hibi (Kitasato Institute Hospital)

**The 5th JGES-ASGE Joint Symposium**

Moderators: N. Yahagi (Keio University, Cancer Center)  
Douglas O. Faigel (Mayo Clinic, USA)

**The 10th JGES-ESGE Joint Symposium**

Moderators: H. Yamamoto (Jichi Medical University, Japan)  
Lars Aabakken (Oslo University Hospital, Norway)

**JGES-Asian International Joint Symposium - with the 15th JKSGE**

Moderators: H. Inoue (Showa University Koto-Toyosu Hospital)  
Myung-Gyu Choi (The Catholic University of Korea College of Medicine)

**JGES Core Session-Panel Discussion-****1. Advanced diagnostic endoscopy for treatment in the upper GI tract**

Moderators: M. Kato (Division of Endoscopy, Hokkaido University Hospital)  
M. Kaise (Toranomon Hospital, Department of Gastroenterology)

**2. Advanced Diagnostic endoscopy for treatment in the lower GI tract**

Moderators: S. Tanaka (Endoscopy and Medicine, Hiroshima University)  
Y. Saitoh (Digestive Disease Center, Asahikawa City Hospital)

## **JGES Core Session-Workshop-**

### **Pancreatobiliary interventional EUS EUS-guided fistula creation: its complications and countermeasures**

Moderators: N. Fujita (Miyagi Medical Check-up Plaza)  
Y. Hirooka (Nagoya University)

## **Symposium**

### **S01. Endoscopic treatment of IBD-associated tumors: Current issues and future prospects**

Moderators: T. Matsui (Department of Gastroenterology, Fukuoka University Chikushi Hospital)  
K. Kobayashi (Kitasato University)

### **S02. Clinical evaluation of “Guideline for post-ERCP pancreatitis” and prospects for the future**

Moderators: S. Ryozaawa (Saitama Medical University International Medical Center)  
T. Akashi (Health Care Center of the Kumamoto City Medical Association)

### **S03. Problems of gastric cancers after H. pylori eradication**

Moderators: S. Takahashi (Kyorin University)  
K. Murakami (Department of Gastroenterology, Oita University)

## **Panel Discussion**

### **P01. Current status and limitation of endoscopic treatment for colorectal T1(SM) cancer**

Moderators: T. Watanabe (Department of Surgical Oncology and Vascular Surgery, The University of Tokyo)  
Y. Saito (National Cancer Center Hospital)

### **P02. Issues concerning sedation in gastrointestinal endoscopy: Toward a revision of the Guidelines**

Moderators: K. Obara (Fukushima Medical University)  
H. Iishi (Osaka Medical Center for Cancer and Cardiovascular Diseases)

### **P03. Current state of gastrointestinal endoscopy in the elderly (80 years and above)**

Moderators: T. Akamatsu (Endoscopy Center, Nagano Prefectural Suzaka Hospital)  
S. Nagao (National Defense Medical College)  
O. Hasebe (Nagano Municipal Hospital)

### **P04. Issues related to guidelines for gastrointestinal endoscopy in patients taking antithrombotic agents**

Moderators: A. Nagahara (Juntendo University Shizuoka Hospital)  
M. Ichinose (Second Department of Internal Medicine, Wakayama Medical University)

### **P05. Endoscopic diagnosis and treatment of superficial esophageal cancer: Current state and limitations**

Moderators: M. Arima (Saitama Cancer Center)  
H. Inoue (Showa University Koto-Toyosu Hospital))

### **P06. Tips for endoscopic diagnosis and treatment of colitis**

Moderators: K. Matsumoto (Iwate Medical University)  
T. Kanai (Division of Gastroenterology and Hepatology, Department of Internal Medicine, Keio University School of Medicine)

## Workshop

### **W01. Current state and potential of endoscopy database –Focus on Japan Endoscopy Database (JED) Project-**

Moderators: K. Matsuda (St. Marianna University School of Medicine, Yokohama City Seibu Hospital)  
K. Tanaka (Japanese Red Cross Society Kyoto Daini Hospital)

### **W02. Drug-induced gastrointestinal injury in the esophagus and stomach, and small and large intestines: Current state and measures**

Moderators: K. Fujimoto (Department of Internal Medicine, Saga Medical School)  
K. Higuchi (Second Department of Internal Medicine, Osaka Medical College)  
H. Kashida (Kinki University)

### **W03. Role of endoscopy in pancreaticobiliary lesions**

Moderators: A. Irisawa (Fukushima Medical University Aizu Medical Center)  
T. Ueki (Fukuoka University Chikushi Hospital)

### **W04. Strategies for endoscopic treatment of small intestine disorders**

Moderators: T. Suzuki (Division of Gastroenterology and Hepatology, Department of Internal Medicine, Tokai University School of Medicine)  
N. Omiya (Fujita Health University Hospital)

### **W05. Capsule endoscopy for small and large intestines: Current state and future prospects**

Moderators: T. Nakamura (Department of Medical Informatics, Dokkyo Medical University)  
H. Goto (Nagoya University)

### **W06. Endoscopic diagnosis and treatment of benign esophageal diseases (including functional assessment of swallowing)**

Moderators: T. Koike (Department of Gastroenterology, Tohoku University)  
K. Iwakiri (Nippon Medical School Hospital)

### **W07. Current state and future of transnasal endoscopy**

Moderators: T. Kawai (Endoscopy Center, Tokyo Medical University Hospital)  
H. Harada (National Kyushu Medical Center)

### **W08. Diagnosis and treatment of gastrointestinal hemorrhage: current status and future outlook**

Moderators: M. Oka (Saitama Medical Center)  
T. Jo (Department of Gastroenterology and Metabolism, Nagoya City University Graduate School of Medical Sciences)

### **W09. Endoscopic practice for functional gastrointestinal diseases**

Moderators: K. Kasugai (Department of Gastroenterology, Aichi Medical University School of Medicine)  
S. Urita (Department of General Medicine and Emergency Care, Toho University School of Medicine, Omori Hospital)

### **W010. The promotion of gender equality in gastrointestinal endoscopy: Present situation and the next steps for improvement**

Moderators: A. Shiotani (Division of Gastroenterology, Kawasaki Medical School)  
T. Sato (First Department of Internal Medicine, University of Yamanashi Hospital)

**W011. Progress of EUS/EUS-FNA diagnosis of gastrointestinal diseases**

Moderators: M. Kida (Kitasato Institute Hospital)  
T. Yamaguchi (Chiba Cancer Center)

**W012. Current status of gastrointestinal endoscopy and equipments for next generation**

Moderators: Y. Kitagawa (Department of Surgery, School of Medicine Keio University)  
T. Itoi (Department of Gastroenterology and Hepatology, Tokyo Medical University)

**W013. Endoscopic treatment by practicing doctors: Current state and issues**

Moderators: K. Harada (Harada Hospital)  
N. Hirata (Kameda Medical Center)

**W014. The assignment and future prospects of the metallic stent for gastrointestinal stenosis**

Moderators: H. Shimada (Departments of Surgery, Tokai University School of Medicine, Oiso Hospital)  
I. Maetani (Division of Gastroenterology and Hepatology, Department of Internal Medicine, Toho University Ohashi Medical Center)

**W015. Endoscopic diagnosis and treatment of acute and chronic pancreatitis: Current state and future prospects**

Moderators: Y. Igarashi (Toho University Omori Medical Center)  
Y. Kawaguchi (Division of Gastroenterology and Hepatology, Department of Internal Medicine, Tokai University School of Medicine)

**Video Workshop****VW01. Device for colonoscopy insertion**

Moderators: M. Igarashi (Department of Endoscopy, Cancer Institute Ariake Hospital)  
S. Shimizu (Department of Gastroenterology, JR West Osaka General Hospital)

**VW02. Overcoming current issues and pursuing new developments in upper GI EMR/ESD**

Moderators: M. Fujishiro (Department of Endoscopy and Endoscopic Surgery, The University of Tokyo Hospital)  
Y. Ono (Shizuoka Cancer Center)

**VW03. Progress in the diagnosis and treatment of biliary and pancreatic tumors: Measures for treating difficult cases**

Moderators: K. Inui (Department of Gastroenterology, 2nd Teaching Hospital, Fujita Health University)  
K. Hanada (Department of Gastroenterology, Ja Onomichi General Hospital)

**Video Symposium****VS01. Endoscopic treatment of colorectal LST: Progress and limitations**

Moderators: H. Kita (Department of Medicine, Teikyo University School of Medicine)  
T. Toyonaga (Kobe University Hospital)

**Doctor E Session****1. Doctor E Session: Esophagus, stomach and duodenum**

Moderators: N. Sakaki (Foundation for Detection of Early Gastric Carcinoma)  
K. Yao (Department of Endoscopy, Fukuoka University Chikushi Hospital)  
Y. Okura (Department of Pathology, Kyorin University School of Medicine)

**2. Doctor E Session: Small and large intestines**

Moderators: S. Fukuda ( Department of Gastroenterology and Hematology, Hirosaki University Graduate School of Medicine)  
N. Horiki (Department of Endoscopic medicine, Mie University Graduate School of medicine)  
Y. Ajioka (Niigata University)

**3. Doctor E Session: Biliary tract and pancreas**

Moderators: H. Maguchi (Center for Gastroenterology, Teine-Keijinkai Hospital)  
H. Isayama (Department of Gastroenterology, Graduate School of Medicine, The University of Tokyo)  
K. Hirabayashi (Department of Pathology, Tokai University School of Medicine)

**Hands-on**

Coordinator: T. Gotoda (Department of Gastroenterology & Hepatology, Tokyo Medical University)  
K. Ohata (Department of Endoscopy, NTT Medical Center Tokyo)
